

## Abigail 'Abby' Robinson

Abigail Oliver Robinson, known as "Abby" by most and as "Munchkin" by her father, was born on November 16, 2016 at Texas Children's Hospital, Houston, Texas, and passed away on July 6, 2017, also at Texas Children's Hospital. Abigail's curiosity and loving demeanor displayed such potential for greatness and goodness that her loss is, though they do not know it, the world's to share with her family. Abigail was an avid student of everything around her; she was especially fond of watching butterflies, reading books with her parents, playing with her friends Frank the Giraffe and Sheldon Turtle, and, most of all, cuddling with her mother. Abigail's impact on those around her far outpaced her short time on earth; she made everyone who encountered her smile, and she made and will continue to make her parents very proud and very happy. She is survived by her loving parents, Jill Oliver Robinson and Professor Scott Robinson of Houston Baptist University, as well as a large extended family that includes one great-grandmother, four grandparents, two aunts and two uncles, three cousins, many great-aunts and uncles, and two devoted companions, Mo the tortoise and the Buzz-kitty.

A memorial service will be held at the Cherie Flores Garden Pavilion, McGovern Centennial Gardens 1500 Hermann Drive, Houston, TX 77004 on Friday, July 21, 2017 at 3pm.

In lieu of flowers, contributions in memory of Abigail can be made to the Fetal Center at Texas Children's Hospital, Office of Philanthropy, Ste. 5214, PO Box 300630, Houston, TX 77230-0630.

“ *Jill- I Just Heard About Abby's passing from Amy. I am so sorry. I don't know what else to say but to let you know that the good memories outlive the pain of loss eventually. I lost my oldest son 5 years ago and it does get a little easier as time passes. It sounds like you will have a whole bunch of wonderful memories to carry with you and cherish forever.*

“ *Abby made a great impact in the hearts of her family in New Mexico. Her first red hair and her bravery inspired us to liken her to the brave and spirited Disney Princess, Merida. We have loved her everyday since we found out she was going to be an addition to our family and now we will love get forever. Love Cousin Barbara*

“ Oh, Scott. My heart is so heavy at this moment. I am so saddened about Abby. I know she was the apple of your eye. Please know that I've been praying for all of you and will continue to do so. Take care of yourselves and lean on God's everlasting arms. My husband lost his 18-year-old daughter in 2006. She would have been 30 years old tomorrow. You will never get over this, but you will learn how to live with it. I send much love to you and your family.

“ Scott and Jill - I know that the loss of your precious daughter is a profoundly tragic event that will shape the rest of your life. This comes from a mother who recently lost her son and knows the grief you feel. Abby was a beautiful soul with so much potential, and I am so very sorry for your loss. Please know that you will be in my prayers.

“ What a beautiful little miracle. Her time here while brief was both profound and inspiring to those blessed to know and love her. My very heart felt condolences for her having to leave for Heaven far too soon.

“ My dearest Scott and Jill,\nWith heavy hearts, Uncle Tom and I send condolences. We also want to thank you for letting us be part of your family. We beamed at the picture of your baby bump. We sympathized with your preterm hospital stay. Then, we cried with joy at the arrival of Abigail. The red-headed, blue eyed beauty reminded me of Merida, the brave. But, she wasn't born brave. She gathered her strength from you, her parents. We rejoiced at her homecoming, and her numerous pictures brought smiles to our often somber days. We held our breath when she fell ill. Each day Uncle Tom would ask about Abby, and then we cried bitterly on July 7, 2017. En Nuevo Mexico, los amamos mucho, y les damos nuestra pesame por su dolor.
