“ *Helga, our thoughts and prayers are with you and all of your loved ones. We were lucky enough to work together for nearly twenty years and now even into retirement, and during that time we got to know Alex during company dinners, celebrations, holiday events and even sharing meals outside of work. Alex loved his food, making jewelry and his lovely wife, Helga! He will be missed but be comforted in knowing that he isn't suffering and is a better place. We love you! Tom and Joni.*
