July 16, 1950 - June 30, 2024

Angelina Urbano Arnobit, "Edna", passed away peacefully on Sunday June 30, 2024, at the age of 74 in her hometown of Houston, Texas.

Born on July 16th, 1950, to Dr. Modesto Arnobit and Genoveva Urbano, Edna dedicated her life to service. After graduating from college in Manila, Philippines, she came to America in 1979 in pursuit of a better life. She served as a nurse at several hospitals in Houston, taking great pride in her work. In mentoring and aiding her colleagues, she encouraged their successes as well.

Throughout her life, she steadfastly supported her family and friends, many times without being asked, especially in their times of need.

As a skilled pianist, Edna shared her love of music, never shying away from the keys at many a party. Her talent continues to inspire those around her. She was a true food enthusiast, a "foodie", who always knew the best local spots to enjoy some delicious dishes, sharing such meals with her friends and family.

Edna will be remembered for her spunk, her spark and her spontaneity. She embodied strength and loyalty in so many ways. She will be deeply missed by those that knew and loved her.

Edna is survived by her three children, Michelle, Elizabeth and Alexander, her grandchildren Amelia (18), Adriano (12), Konstantin (11), Aiden (11), Alina (8), Jacolyn (7) and Roman (5), her younger brother Andrew, along with many other relatives and loving friends.

The family would like to extend their deepest gratitude to Apex Oaks for their compassionate care of Edna throughout her last year. They also wish to thank all who visited her and provided loving comfort and support during this time.
