“ We love you Lola! Today I went to go to my nails at the nail salon that we go to and when mommy rose was talk about you I was sad because that is the place that we always go to. When I am bored at the nail salon you are always there to entertain me and when you weren't there I was sad.

“ We love you Lola! I went to Dollar Tree today and I saw so many reminders of the days we used to go with you. I found some butterfly things, and even heard a phone go off with your text tone. We miss you so so much! 🦋🌸
