

Austin Matthew Metcalf

July 31, 2007 - April 2, 2025

With heavy hearts, we announce the untimely passing of Austin Matthew Metcalf, a bright and beautiful young soul whose journey was tragically cut short. Born on Tuesday, July 31, 2007, in Frisco, Texas to Jeffrey and Meghan Metcalf.

Austin illuminated the lives of his family and friends with his infectious laughter and gentle spirit. He was a beloved brother to his identical twin and best friend Hunter Metcalf, whose unwavering love and support will forever echo in the cherished memories they hold dear.

From the time he was born, Austin was such a joy. He was one of the most kindhearted and genuine people, when you met him, you knew he was someone you could count on in your life. He would always be there for anyone and would do anything for them. Along with being someone you could call at any time for anything, he could also make everyone laugh. He was so incredibly funny and outgoing. His spontaneity was amazing, and he could always get a smile out of you.

He was a Junior at Memorial High School in Frisco, TX. Austin is a member of Hope Students and attended Hope Fellowship East on Wednesday nights as well as Sunday mornings.

At a young age Austin was fearless in any sport he tried, and his talent would shine through. No matter what sport he tried he did everything he could to be the best he could be and his work ethic as he got older never wavered so that he could stay the best. When he found football, it was instantaneous that he knew that was what he wanted to play. He loved the sport with all his heart and never gave up on his dream of playing in college, and even farther if that's where his drive would take him.

Austin's second love in life was the Texas outdoors. His many hunting and fishing trips that he went on with his father Jeff and brother Hunter are treasured memories. He had even shot his 1st hog this year and was extremely proud.

Austin was a kind-hearted student, navigating the halls of life with dreams yet to be fully realized. Though his time with us was fleeting, the impact he made in his short years was profound—leaving traces of joy and warmth in every moment shared. As we remember him, we reflect on a life filled with potential, aspirations, and the pure essence of youth.

He leaves behind to cherish his memory are his parents; Jeffrey Metcalf and Meghan (Prall) Metcalf. His best friend in life and birth, identical twin brother Hunter Metcalf. His maternal grandparents; David and Susan Prall. Paternal grandparents; Charles and Vickie Metcalf. Nathan and Jennifer Prall (maternal uncle & aunt), Ryan and Marlee Needham (maternal uncle & aunt), Chad and Laura Metcalf (paternal uncle & aunt), Scott and Crystal Lucas (paternal uncle & aunt) William and Nathan Prall (cousins), Rylee and Maycen Needham (cousins), Ayden and Aiva Metcalf (cousins), and Scotty Lucas (cousin)

Along with many extended aunts, uncles, cousins, and friends.

The circumstances of his passing on April 2, 2025, serve as a solemn

reminder of the fragility of life and the importance of each day. We gather together in grief and celebration of Austin's spirit, honoring the love that binds us all.

Family and friends are invited to unite in remembrance and reflection at his Memorial Service that will take place on Saturday, April 12, 2025, at 10 AM. The gathering will be held at Hope Fellowship Frisco East, 9950 Rolater Rd. Frisco, TX 75035. His family will have a private burial where they will lay Austin to rest surrounded by the beauty and tranquility he sought in life.

His Pallbearers will be Hunter, Jackson, Ryland, Patrick, Jaden, Logan, Carson and Ryder.

Honorary Pallbearers are Christian, Beckett, Dylan, Graham, TJ and Gavin.

In this moment of sorrow, we stand together, committed to honoring Austin's memory and supporting each other through the heaviness of loss. May we carry forward his spirit with kindness, compassion, and an appreciation for the moments we share, allowing his legacy to inspire us to love deeply and live fully.

In lieu of flowers, the family encourages donations to a scholarship in honor of Austin Metcalf at <https://hopefellowship.churchcenter.com/giving>

“ I have followed this horrible story from the beginning. I live in AZ. Austin is at peace and surrounded by God's Angels. I have wanted all along for someone in Frisco, to spearhead the re-naming of Kuykendall Stadium to Austin Metcalf Stadium, in memory of an outstanding young man in every way. To have his life cut short at only 17 after living an exemplary life, he deserves that much. Please someone....make it happen in Frisco, TX. Rest in Peace, Austin.

“ Today, July 31st, we remember and celebrate you...not with tears alone, but with the love and light you left behind. You mattered. You still matter. The world feels quieter without your presence, but your spirit echoes in the hearts of those who carry your name with truth and tenderness.

I pray you're surrounded by peace and warmth today in a place where no harm can reach you. You deserved better. You deserve to be here. And though you're gone from our sight, you are not gone from our story.

This world may not have protected you the way it should have... but I will always speak your name with reverence, and I will never let them forget you.

Happy heavenly birthday, Austin. You are loved beyond measure.

“ *To the Metcalf family - I am a near-60 year old man in Florida, and I am so genuinely sorry for your family's loss. Austin clearly brought joy and laughter to so many in his life, and he will be forever missed.*

My family's hearts ache with you in the wake of the unimaginable loss of Austin. Words fall short in moments like these, but may you find strength in the knowledge that Austin's spirit lives on—in every life he touched, in every smile he gave, and in every moment of joy he brought into the world.

May God hold you in His gentle arms as you walk through this valley, and may you feel Austin's presence in the stillness, in the laughter of memories, and in the quiet courage to face each new day.

For all parties involved, we pray that grace may guide all who are grieving, confused, or in pain. In a world of sorrow, may compassion be our compass, and may love be our lasting legacy.

I have never heard of AUSTIN METCALF or his brother HUNTER but became aware of this extremely sad situation which took the life of AUSTIN and the life he could have had. I can only assume that this tragedy was in GOD'S plan even though we humans will never understand it. I could only ask GOD to be good to AUSTIN as he enters HEAVEN and allow him to help heal his father and HUNTER as they move through life. I will have a CATHOLIC MASS said in celebration of his life at the UNIVERSITY OF NOTRE DAME or THE OBLATES OF ST. JOSEPH as a remembrance. GOD BLESS TO ALL THE METCALF FAMILY. I didn't know him, but the impact of the story for me into pieces. I suffer severe depression every day and I know it sounds weird to say, but I don't understand why that couldn't have been me. Why do the people that have so much joy for a living ended up being a target Ruthless madness when my mom and dad died I knew they were all around me still sometimes annoying with the voice in my ear, saying slow down don't forget the stop sign and why are you eating that? Of course I miss them in the flesh being here but my prayer for you is to understand he's going to stay right beside you and protect you and have mercy on his twin brother who had to witness that which nobody should. It's become mundane. Frisco killings it just seems that everybody that has a mental issue is copycatting. You have my love in my prayers

*I may not see you with my eyes
Or hear you with my ears
But thoughts of you remain with me
and help to dry my tears
You whisper in the rustling leaves

And in the gentle summer breeze
I'm sure I hear your call

Meghan and Hunter my Grandson is a senior at a local high school and is in the track team participating in shot put and discus sports and this hits so close to the heart as a Grandparent knowing and seeing the enthusiasm and dedication my Grandson has for this sport seeing them achieve and bringing them self confidence knowing they can do all things in Christ Jesus who strengthens them. Austin's time on this Earth has left us all with a reminder that our days are counted and the mission our God has ordained for us has been completed. Austin has received his Just reward..Amen*

I am Fredericksburg, Virginia and I did not know this young man! I am sending my deepest condolences to the parents and extended family members but special condolences to his twin brother Hunter! Please celebrate a life and his pride in the world! Remember the good things he did in life, the achievements he made, the sports he liked and all the other nice and kind things he would do for others! We know he didn't deserve to die but the Lord Jesus took him under his arms and said come to me, your time on Earth is done and you are entering in my mansion where there is no more wickedness, no more pain, no more suffering, no more being bullied, no more sickness, no more medications, no more fear, no more evilness, no more unkind words spoken to you, you are free of all danger from the most difficult people on Earth. The Lord says to him I will protect you from all evilness, wickedness, painful hurt in the world! His life was cut short but family members please remember the most hilarious, cherishable, the happiness he brought to his family since birth. The Lord Jesus gives us life but he doesn't give us an exact time frame on Earth! Grief is hard but with the Lord he will get you through this difficult time. When you want to cry just remember that Austin Metcalf is above you in spirit! He will never leave your life, heart, thoughts and your dreams! He will be waiting for you on the other side when it's your turn to leave Earth. One by one the chain will start to connect until all is met on the other side! He loved each and everyone wholeheartly! Prayers to all!

I wish I could give you words to take the horrible pain away , but there isn't any. I'm so broken for your family. The world is praying for your family and is mourning with everyone of yall. I'm a mother and have lost 8 babies and it is a pain that no one can understand unless you have been through it. Just know he is dancing on streets of gold and kneeling at the feet of Jesus. He fought a good fight and finished the race. Jesus is a Heart mender. We will not know why things like this happen until the day we stand before Jesus. Just remember your baby is Happy , safe , and wants his family to keep going . There's going to be harder days than others but just call on Jesus and he will give you rest. He will give you peace , and you may not think you will ever be happy ever again but He will give you joy again. Knowing my babies are with Jesus gives me so much hope and peace. God Bless each one of you. And again I'm so sorry for your tragic loss and horrible pain.

“ To Austin's family, I send my condolences and wish for you strength and peace. It is easy to see that Austin was a happy, fun, confident, hardworking and determined young man. He was born with that luck that guarantees a great life and success, and the confidence that is needed to do so. As a mother, it makes me sad that he will not be able to grow up, fulfil his dreams, and experience all that life would have brought him. May Austin rest in peace, and visit you in your dreams. And may Hunter, especially, achieve his dreams and find the calmness to do so. For now, you cannot see Austin, but one day you will see him again.

“ My hearts cries out to Meghan, Jeff, Hunter and all their family. **MAY AUSTIN RIP AND BE WITH HIS GOD!**

I have known these identical twins since they were toddlers. They were amazing kids and they tried her patience at times but she is the best Mom. When she spoke, they listened. When they didn't, she let them know who was boss. She made me laugh and so did the kids!

Austin and Hunter are phenomenal kids and brothers and always had each other's back. They excelled in too many sports and are totally awesome athletes in everything they tried. I watched them play baseball when they were smaller and just recently a football game. They were beloved children and loved their parents and family forever. They honored each other and stood by each other in good and bad times. Meghan and Jeff both worked with me and the kids were starting to help their mom time races. Appropriate, as they were both runners as well. My heart is broken for all of the family and my condolences to all of them. My husband Danny is also just shocked and extremely angry! This should never have happened ever! In my heart I know it is true but I don't want to believe it. My thoughts and prayers are with you all always and forever. I WISH YOU THE STRENGTH AND FORTITUDE TO GO TO FORWARD IN THE DAYS AHEAD WITH YOUR LIVES. AUSTIN YOUR FAMILY WILL NEVER FORGET THIS, BUT HOPEFULLY CAN FIND SOME SOLICE IN THE DAYS THAT MOVE FORWARD WITH THE THOUGHTS AND PRAYERS OF EVERYONE WHO HAS REACHED OUT TO FOR YOU! AUSTIN WILL NEVER BE FORGOTTEN BY ALL THE LIVES HE HAS TOUCHED SO KINDLY!

MAY GOD BLESS YOU AND ALL YOUR FAMILY IN THIS TRYING TIME OF GRIEF AND DESPAIR. USE EACH OTHER AND WE ARE ALWAYS HERE FOR YOU NO MATTER WHAT!

“ Dear Metcalf family, I am not a family friend, but this story has touched my heart in so many ways. I am a former high school teacher and I love teenagers. I love all kids but I taught middle school in high school and I have a huge fondness for that age group. I retired in 2011, but I still hear from many kids that I taught. Your Austin clearly stands out as such a great kid. The pictures of him show a big smile and eyes full of joy. I am sure that he was a wonderful young man with so many friends.

I grieve for you with a great understanding because we lost our own wonderful son when he was 27. And I know that it is so difficult and although it was almost 20 years ago, of course we still think of him nearly every day. We have been changed forever. I have no doubt that you will look out for your son Hunter, but I implore you and the whole family to be especially in tune with him, because of the closeness of twins. I am hoping that his friends will gather around him 24 x 7, and stay with him as much as he needs, just to help ease the void that will occur.

I am so greatly sorry for your loss, and you must know that this has reached the whole community, the whole state of Texas, and even our nation. You have support from thousands and thousands of people. I pray that God will guide you day by day through your journey and that your faith will help you. Unfortunately, you will have a harder journey than most because of all the media attention, and the way that this will take time to settle out. I pray for justice. Most sincerely, Joyce Norris Dewitt, Pilot Point, Texas

“Every life is precious. All souls deserve to be sung out of this world with love and tenderness as the sun sets on their presence. Heart-songs of mourning include gratitude for the good they did, the lives they touched, and the connections they shared. We are blessed to have had them in our lives when they are called home.

"What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why they left this earth so soon, or why they left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that they lived. And that their life gave us memories not to forget.

May every sunrise hold more promise, every moon rise holds more peace. They say love beyond the world cannot be separated by it. Death cannot kill what never dies. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories.

We find comfort in knowing that our lives have been enriched by having shared their love. Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your heart.

"I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die." John 11:25,26

May every sunrise hold more promise, every moon rise hold more peace. They say love beyond the world cannot be separated by it. Death cannot kill what never dies. I know for certain that we never lose the people we love, even to death.

They continue to participate in every act, thought and decision we make.

Their love leaves an indelible imprint in our memories. We find

comfort in knowing that our lives have been enriched by having shared their love.

Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts. May you be comforted by the outpouring of love surrounding you. My thoughts and prayers are with you and your family during this very difficult time.

“ We met Meghan at her work when we were in the search for wings for our Super Bowl party. We soon connected because of our love for football. To Austin's family and friends, my sincerest condolences for your loss. There are no words to comfort you, there is only faith. That our Lord will give you strength, that he will hold you close and comfort. You. May memories of Austin bring you that comfort and deliver you that strength to get you through the coming difficult days. I cannot even fathom the loss. You must all be feeling. My heart simply breaks and I have shed many tears for your family. All we can hope is that Austin is at peace and that God has made him whole again. And that is Spirit walks among you and that you are open to feel his presence, his whisper in the wind, his strength when you need it. Most. Our loved ones never leave us. They will forever be by our sides walking with us. We may not see them but we can feel their presence and know that they are near. Hunter you did everything you could to save your brother. Live your life and live your life for your brother too. From what I know about Austin, he would want you all to carry on. May God's perpetual light shine upon Austin and may. Austin's family and friends find some kind of comfort and peace in this most painful, difficult type of loss. And may Justice be served both in heaven and on Earth. God bless you all.

“ When I'm gone don't cry for me, in my father's arms I'll be . It don't matter where you burry me, I'll be home, I'll be free ... it don't matter where I'll lay, all my tears will be washed away .

Austin , for God heals the dead, as your body rest, where your spirit lives on forever, no pain, suffering, sickness or scars . God promises his children rest and gave you rest , he healed the sick and he healed you . It's not Goodbye, it's not Farewell, It's until your parents, Hunter see you again .

I'm sending my deepest condolences to The Metcalf family. Austin looks like such a sweet, kind, warm, respectful, loving young man. Hunter I'm deeply sorry that you lost your twin/your best friend. I myself have a 17 year old son and it's unfathomable what happened to your son/brother. I can't imagine what you're going through. I know with your strong faith in God you know Austin is up in Heaven and you will definitely reunite again. Praying everyday for your family.

“ Our hearts and prayers go out to Austin’s family and friends. As Jeff has stated, “it’s not goodbye, it’s see you later”. Austin is in a beautiful place, in the arms of Jesus. He has met Father God, and is seeing all the angels in Heaven. We are praying for God’s peace that surpasses all understanding to be with you all during this time. Our prayers go out to Hunter and we ask God to carry him in His loving arms during this time and for God to give his mind rest. We are very sorry for your loss and we will continue to pray for you all in the days, weeks, months and years to come.

“ *We all are just so devastated by this. To know Meghan, you know her boys. There isn't a conversation where they aren't brought up at some point, proud momma indeed. When I spoke with Meghan the other day, she remembered Austin drew a picture for me (this was probably 10 or 11 years ago when she brought him into the office with her). I was going on vacation to Akumal, Mexico and we talked about the sea turtles there. He was so sweet and drew a picture for me to enjoy my vacation. Just heartbreaking. My thoughts and prayers remain constant with Meghan, Hunter, and the entire Metcalf family.*
