“ To say Barbara was an incredible human being is such an under statement! I enjoyed every moment of our time together. She could have fifty different things going on at once and be on top of every one of them and never miss a beat. Always impeccably dressed, upbeat and loads of fun!! Lord, I will miss her. I loved with all my heart and soul.\nBilly Bill, if you ever need anything, Jill and I will be available.\nLove you, too.\nBecky Wallace\n
