“ *Just received the news of Betty's passing and wanted you to know that I really enjoyed having her for a neighbor and friend when we both lived at Evergreen. Could never ask for a sweeter person than Betty as she would check on you to make sure you were okay. I really missed her when I moved. Just wanted you Deborah to know how much she thought of her family and she was so proud of Nicole and Daniel, her grandchildren, least of all her daughter Deborah. My deepest condolences to all of you.*
