“ I was fortunate to have Brenda Eubanks as my mother. She was loving, kind, and loved her family. I enjoyed spending time with her and playing bingo with all the people at her retirement center. She was always willing to go above and beyond to help anyone. I loved her very much and I admired how much strength she showed throughout her life. Her favorite color was red, she loved Whataburger, and Bakers Ribs. She loved her church family and enjoyed all the Bible studies, and trips with the ladies from Long Creek Baptist Church. Jessica her home health aid was a blessing to our family and to my mom, and She loved Jessica very much. She left this world knowing I loved her with all my heart.
