He will be remembered by more friends than can be counted, along with the brothers and sisters of his most recent family, the Helltrain MC, where he proudly served as Chaplain. So many people were touched by his presence, his counsel, his support, his humor, and most of all, his love.

Bruce lived a life full of distinction. He was an accomplished Boy Scout and later served in the United States Marine Corps. A well-respected professional, he recently retired from a successful career in Electrical Aerospace Engineering. In his retirement years, he rekindled his passion for motorcycles and embraced the camaraderie of the riding community.

It was on 8/20/2017 that Bruce was inducted into the Helltrain MC, and

designated as the club's Chaplain, proudly donning his handle, "Chappy."

Bruce's legacy is one of kindness, loyalty, and unwavering compassion. He will be deeply missed and forever remembered by his family, his friends, and the countless lives he touched along the way.

In lieu of flowers, donations may be made to Toys for Tots—a cause close to Bruce's heart—or to a local humane society or animal shelter, in honor of his lifelong love for animals and generosity toward others.
