“ *My husband and I are sorry for the pain you are feeling. In the Bible, John 11:17, 33-35 states\u2014Jesus gave way to tears, even though he knew that he was about to resurrect Lazarus. Jesus\u2019 tears confirmed his love for Lazarus\u2019 family- Mary and Martha. Though at this time, I can\u2019t help but feel that if Jesus was currently on earth, he would have the same tears for your loved one as he did for Lazarus.*
