

Christopher Daniel Wright

August 30, 1980 - June 27, 2024

It is with heavy hearts that we announce the passing of Christopher Daniel Wright, a beloved member of the Savannah, Texas community. Christopher, 43, peacefully departed on June 27, 2024. Born on August 30, 1980, in Flowood, Mississippi, to Luz Mahecha and Daniel Wright, Christopher's life was a testament to love, dedication, and service.

Christopher's childhood was enriched by his experiences in both Colombia and the United States, shaping his worldview and character. Following in his father's footsteps, Christopher dedicated his career to the telecommunications industry, spending the last six years at Ericsson. His commitment to safety and innovation made a lasting impact on the industry he held dear.

In 2001, Christopher married his soulmate, Della, in her hometown of Cheyenne, Wyoming, beginning a 23-year journey filled with love and joy. Together, they raised two remarkable daughters, Riana, 22, and Alice, 8, who were the light of Christopher's life.

Christopher is survived by his devoted wife, Della, his cherished daughters, Riana and Alice, his brothers Jon (Lauren) and Paul, his father Daniel (Karen), and a host of other beloved family members, friends, and colleagues. He was preceded in death by his brother Omar Jones and mother Luz Mahecha.

A funeral service to honor Christopher's memory will be held at Saint Mark the Evangelist Catholic Church, located at 1201 Alma Dr. Plano, Texas 75075, at 10:30 AM on Friday, July 12, 2024. Please join us in celebrating the life of a remarkable man who touched the hearts of all who knew him.

“ Chris was a colleague at Ericsson who brought an incredible energy and enthusiasm to our automation projects. His passion for meaningful work was contagious, inspiring us to achieve real impact. As a persuasive storyteller, Chris skillfully explained construction challenges and solutions (antenna mounts, RET assignments, cable mapping), to everyone, from executives to developers, making friends along the way. He always took time to express sincere gratitude to team members. Also, his participation in a special assignment with the Ericsson Response volunteer team supporting refugees impressed upon me his kindness and generosity. Even in the midst of his illness, I observed Chris continuing to be his same kind, generous self. It was a privilege to work alongside such a truly special person. My deepest condolences to Chris's family.

“ I had the honor of calling Chris my next-door neighbor and good friend for the last several years. He and Della attended my mother's 80th birthday party. He and I removed a part of our adjoining fence so our dogs could play together. We cooked out, drank beer, and thought for a week we caught aliens on an outdoor camera. Smiling is how I will remember Chris. His smile was pure.

“ 12 years ago I met Chris in Pittsburgh Pennsylvania, working on a project for ATT. He was one of a kind, with his kind heartedness and speaking ability to explain what it was you asked or he wanted you to know. For the past many years we both worked for the same company and while we did manage to have conversations along the years, the one he approached me about in Feb '24 grounded me to the core.

While most can agree of his strong work ethic, I feel it more important to echo his faith in Christ and love for his family. Even in his situation , he still found it important to stay positive and share that family and friends are growing in faith.

Thank you Chris for taking time to share with me and I look forward to seeing you again!

“ Dear Chris's family and friends,

I am deeply sorry for our loss. Chris was not only a great mentor but also a beloved friend. I fondly remember times spent together, whether it was working towards greater efficiency or just relaxing with a beer. His presence made every meeting and conference brighter. I will miss him dearly and am grateful to have known such a remarkable person. Rest in peace, my friend. My thoughts are with you all during this difficult time.
