“ *Oh, my God. Doug, I am so sorry about your beloved Cody. I remember him here when I came. I was here first as a sub., then when I started a job, I was put into the room with you and Tela. Cody came by the room quite a lot. He was so nice, Doug, and kind, too.*

“ All the good memories keep filling my heart. The photos we all were going through the last few days have just reminded me of Cody\u2019s childhood journey with us. I will always remember the wagon your mom laid you in for naps in for the first few months of his life .I will treasure all the memories of him playing, running, swimming, and the birthday parties with Jessica, Jennifer, David, and Shane in our backyard on Elm Street. Such fun for us to watch the basketball games in our driveway with your dad, Shane, David, and John .. so much fun to watch. I will always remember your kind heart, your laugh, and your smile! May your memory be for a blessing.
