“ *Dan was a wonderful man and a fantastic colleague to work with. He was always keen to help me out when I needed assistance and I will miss his cheery smile and the many chats we had about guitars and home brewing. I remember when Dan came to the UK a couple of years ago we enjoyed some good food, sampling a few pints in a local pub and chatting about the good things in life.\nIt as a pleasure to know you Dan. “ I am sending condolences to Dan's family and friends. He was a great guy and I am so honored to have had the pleasure to work with him. Dan taught me a lot and he was a great instructor. He let me sit in on his training as an assistant, but I am the one who benefited by seeing his professional yet personable teaching style. I will never forget Dan and I pray for you peace and comfort.
Sincerely, Karen Hackley

“ I am so very sorry to hear about Dan's passing. My Mom saw the obituary in *The Mining Journal* and our hearts broke. Dan was my cousin (my Mom is his Mom's sister) and even though we weren't close, I always remember his Mom and Dad sharing stories about how proud they were of him. Thinking of his family during this very difficult time. Our thoughts and prayers are with you. -Jennifer Seddon Hogge and Karen (Romback) Seddon.
