“ Dan. You were always the cool cousin with surfboards and golf clubs and good at anything you did. You fought the fight and that is so respectable. Peace and love to the fam. Sending prayers and peace. Feeling deeply for you all.

Jason,
Thank you for your kind words. Remembering Dan in his younger years warms my heart. I often wished he could somehow connect with you when I read some of you posts but it was never meant to be. He is at peace now and home with our Lord. 🙏
