“ Doug was one of my closest friends growing up in Conroe. We loved working on old cars together and he ended up getting a cool Firebird and I got a Porsche. He went to ATM and I went to UT, but we stayed in touch over the years until recently. I'm crushed over the loss. He meant so much to so many and will be dearly missed until we meet up again in heaven. God bless him and his family.

I met Doug at Pathways! Class 165. I am totally destroyed by this because we had lost touch. He was a very good man and would help anyone that he could help. I am so very saddened to know I can't visit with him again until we meet again in Heaven. God Bless , Cindy McElyea
