“ *Tina, Family & Friends,\nWhat a beautiful life your Mom had. Her sense of humor carried her through the best and worst of times. Even from her wheelchair, she could live, laugh, love! She got such a kick out of so many things, particularly watching baby Graham throw food on the floor for entertainment! I'll always remember how entertained she was by that! And of course, you were the love of her life and always will be Tina! She was so very proud of you at all times! Please know she is at peace in heaven and watching over you in every way. God bless you T! I'll write more later.\nLove, Gina & Family*

“ *Dear Tina,\nMy deepest sympathy for the loss of your mother. Knowing you just as little as I do, I know that she was a wonderful wonderful woman. May the fact that you know that she will be buried next to your dad and resting peacefully give you serenity and the course to follow in her light.\nLove and blessings, 'Carol Gambill' Roberts .*
