“ *Susy touched so many lives and made the world a better place. Her positive spirit and spontaneous happiness will not be forgotten. I would like to share a poem titled "To Succeed" that is most appropriate for Susy:* ”

*To laugh often and much;
to win the respect of intelligent people
and the affection of children;
to earn the appreciation of honest critics
and endure the betrayal of false friends;
to appreciate beauty, to find the best in others;
to leave the world a little better place than we found it,
whether by a healthy child, a garden patch or
redeemed social condition;
to know even one life breathed easier
because you lived.
This is to have succeeded.
God Bless You Susy,*
