Francisco "Frankie" Bernal IV, age 45, beautiful soul passed on to be with our Heavenly Father on October 7, 2014. Frankie was born April 5, 1969 in San Antonio, Texas. He graduated from Terry High School in Rosenberg, TX and went on to proudly serve his country in the United States Army and fought in Desert Storm. He later went on to graduate from Texas Chiropractic College and received a Doctor of Chiropractic. Frankie had an established practice with Absolute Health and Rehab. He was also an avid Commit for Life blood donor at Gulf Coast Regional Blood Bank. Frankie touched everyone's life he ever came in contact with. He never met a stranger. He was the life of the party and lit up any room with his presence. No one ever had an ill word with or about him. He was fun to be around and you always felt like you were going to learn something from him. He had many talents and loved singing, going to movies, traveling, and caring for his animals. Frankie made everyone feel special and went out of his way to ensure it. He never expected anything from anyone that he didn't expect from himself. A pure example of agape (love). Frankie is survived by his wife and soul mate, Theresa Bernal, parents CeCe and Francisco Bernal III and Sherry and Jerry Montemayor, daughters Stephanie Colburn and husband James, Jodie Boyte and husband James, sisters Vickie Bernal and Laura Bernal, six grandchildren, two nieces, three nephews, numerous cousins, and more friends that you can count. Visitation will be Monday, October 13, 2014 from 4pm-8pm at Distinctive Life Cremations and Funerals, 5455 Dashwood, Houston, Texas 77401. Service
