

Gary Dan Davidson Jr.

October 14, 1956 - December 22, 2024

Gary Dan Davidson, Jr., of Irving, Texas, passed away peacefully on December 22, 2024, at the age of 68. A beloved husband, father, brother, and friend, Gary lived a life marked by curiosity, loyalty, and a deep love for both his family and his passions.

Born on October 14, 1956, Gary grew up with a strong work ethic that began in childhood as a dedicated newspaper boy, delivering rain or shine. A self-taught computer programmer, his remarkable drive and intellect led him to a long and successful career at Epsilon, where he worked for over 25 years.

Gary had an extraordinary love for all things mechanical, especially his classic vehicles. He took great pride in restoring and maintaining his 1967 Volkswagen Beetle, his GMC Elantra RV, and his Harley motorcycle—while also embracing the future with his electric motorcycle. His garage was more than just a workspace—it was a sanctuary.

A devoted fan of the Dallas Cowboys, Stars, and Mavericks, Gary's Sundays were sacred for sports, often spent immersed in games and cheering on his favorite teams. He was also passionate about supporting his Sam Houston bowling team, always making time to watch their competitions whether in person or online.

Gary loved to travel, with the beach holding a special place in his heart. Yet his greatest joy was time spent at home with his loved ones. He found delight in historical dramas, but he was, without question, the #1 fan of Survivor and The Amazing Race, never missing an episode.

He is survived by his loving wife, Michele, of 25 years, his son Aaron, daughter Kimi, and sister Nancy. His memory will live on in the hearts of those who knew and loved him.

A memorial service to celebrate Gary's life will be held on May 24, 2025, at Distinctive Life Funeral Home.

In lieu of flowers, the family invites you to honor Gary by watching a game, taking a road trip, or simply spending time with loved ones—just as he would have done.
