

Gloria Borgemenke

Gloria Valenzuela Borgemenke 52 journeyed from us Wednesday April 14th after a long, courageous struggle with an unforgiving foe. Our "Little Gloria" was the first in her family to graduate from college and devoted her professional life to helping children as a speech therapist. She is survived by so many who loved her: son; Edward Arthur Borgemenke, sisters; Rosa Villegas, Mary Primero, Socorro Murphy; Brothers Gerardo, Agustin, David and Victor Valenzuela and many nieces, nephews and cousins. Her sweet smile, terrible puns, wonderful haircuts and helping nature will be missed. Gloria joins her first child Lena Borgemenke, mother Aurora and father Agustin as they walk together reunited in peace and love.
