“ I would like to thank everyone for sharing Mrs. Helen H Foreman's, my mother, celebration home-going on Thursday, March 21, both in-person and online. I may not have recognized all of the faces at the church, or the names on the Tribute Wall, but I recognize the positive spirit in all you who have touched, or been touched by, my mother's time on this earthly plane. Thank you all! Tentative information about the DC area memorial service and internment estimated to be held late summer or early fall, at Arlington National Cemetery, will be shared starting in May or June. Thank you all! Blessings!

“ I got to know Helen when I arrived as a new faculty member of the Philosophy Department at SMU - she was the department's administrative assistant. I remember how warm and welcoming she was. Helen was a blessing to me because she was a fellow believer. She knew that I was a fan of Tony Evans' preaching, and invited my wife and I to join her and her husband one Sunday at Oak Cliff Bible Fellowship. I will always remember Helen and I send my fond regards to her family and friends.

“ I will miss my dear, beautiful God mother immensely. I remember when she first found me on the campus of SMU as a freshman babe, and took me under her wings. She became family instantly and shared the love of Christ always. I thank God for her influence in my life and pray her legacy and words continue to live on. I rejoice in knowing she is no longer suffering and has found peace in the arms of the savior.
