“ *DEAR Jack..I remember I KNOW you can see this...I remember swimming in the pool with your Dad watching us..still have the picture of You Cindy and myself holding the towel ..I did not know this happened. We lost touch after Cindy passed..I miss you my neighbor in Parma. My daughter Niki is now enrolled with a multiple scholarship at BW..probably due to to me listening to your clarinet across the street,I MISS YOU MY FRIEND. Watch over her Stephen Polansky on Parkleigh Drive..She loves both Flute and Piccolo*

“ *I am so, so sorry to hear this news! I have always admired and appreciated Jack's joie de vivre, his kindness, sincerity, and sense of humor. As a fellow North Texan and composer, I should have known him better than I did; and now I regret that I will not have that chance. Heidi and I send our deepest condolences to Heather and her family for their loss, and the comfort that your memories of this beautiful life well-lived will bring you in the future.*
