“ *She was my best friend for 56 years and will forever be in my heart. Since I joked with her for being a year older than me I can honestly believe she passed while we were the same age and to remind me of that ..June 8th would be 6-8 the day which I could hear her say \n68\nYears...same age.haha..I asked her to save me a spot so we will be together again someday.*
