“ I certainly enjoyed as a friend for a short time since I moved to Dallas. She was a treasure to play 42 with and always smiling. I have missed her but know she is in Heaven with God and I will be seeing her someday soon again!\nJeff Maxwell

“ Being from Hamlin everyone knew everyone. I went to school with June and Joy being one year ahead of Joy. She was a great friend and always had such a beautiful smile. My thoughts and prayers are with the family. God was short handed in the Angel Department and knew the perfect person to full the spot. He got a good one.
