

Karen Gresham Nickell

December 19, 1950 - August 7, 2021

Our beautiful and endearing friend, mentor and cosmic seeker of truth Karen Gresham Nickell transitioned suddenly from this earthly plane on August 7, 2021 of apparent natural causes.

She inspired so many with her profound teachings and powerful meditations of light and sound.

She is greatly missed, although we know she isn't truly gone -- just continuing her work from the other side of the veil.

A tribute is being prepared with more information that we'll post soon. And we will keep sharing her beautiful voice and teachings on her Facebook Altius Opus / Karen Gresham page.

Blessings to all of you on your continued journey to discovering your highest potential, as Karen taught.

“ I only knew Karen for about two years, but those two years changed my life forever. Karen opened new portals of trust within myself, and I will be forever grateful for the limited time I got to spend with her. It was a treasure of a lifetime. Karen, thank you for the gift of your presence and the teachings I'll never forget. -Will Berchelmann
