“ I am so very sorry to hear that Kelly passed away. My husband, John Sharp, and Kelly were best friends growing up. My husband left Silverton for Arizona in 1970 (when he was 12 1/2 years old). We married in 1992 and I have heard dozens upon dozens of stories that began “Me and Kelly Bomar.....”. We are planning to attend the Silverton HS class of 1975 50th reunion in Silverton early next month, and I was trying to locate Kelly for my husband, hoping they could reconnect, and came up with this obituary. I am so very very sorry that he and John will not be able to renew their friendship.... As is John since I showed him this posting. Our condolences go to those who loved Kelly, and I want you all to know that through more than 50 years since John left Texas, the name Kelly Bomar has been on his lips thousands of times and he has always missed his childhood friend. May Kelly Rest In Peace and I hope that you all have comfort. Sincerely, Stacie Sharp
