“ *Ken was such a kind man and I loved all of his stories about his background in New York and even his military stories in Vietnam. He truly loved the music of the 60s also, which I loved listening to when I was visiting with him and my sister, the angels are looking after him now.*

God has this....Ken is in his care now. I will always remember our time in Hawaii and at family gatherings. Doreen, my heart goes out to you. Your love for him showed all the time, and you cared deeply as he went through this terrible illness. The Lord is with you. 🙏
