“ Single file through Hemphill Wells. Meeting at the Hi D Ho after a date. Running around and around the outside of Billy's house late late at night. These are from Ted. But I, Joyce, remember Larry causing everyone laugh so much at our house. Ted and I were the first from our group to marry so we had a party every weekend. Wow! Glad we all outgrew that. Remember how we all encouraged Larry to call Sharon. They were perfect for each other. Then Sharon became a part of our group. We had so much fun. Sometimes Larry would all me Joyceee. LOL Remember all the times we all met at the Britany to eat hamburgers after a football game or basketball games. So so many good times. From Joyce and Ted Boyd
