“ Lee, brother you will always be family. I am so blessed to have known you and grateful for all the memories. I still can't believe that you're gone. You truly are one of the best and most selfless souls I have had the honor of calling my brother and friend. My family and friends have grown to know you and love you just the same. Just know that we miss you dearly and I'll always treasure our times together. Brothers from day one.

Remember, we don't grow on trees...

*Love always,
Dinh family*

Enjoyed working with him and discussing motorcycles. It is hard to believe he is gone and at such a young age. He is missed already.

Lee was a great person and friend. He loved his family and cherished his kids. He always shared stories of their accomplishments throughout the years. I will miss our times together but will always remember and cherish the memories I have of him.

Condolences to his family.

I just can't believe this also. There are no words for how sad this news is to hear. I remember Lee and I started at Epiroc as a temp from staff sense. It funny as we started as a temp together on the same day we got hired on to Epiroc as full time employee on the same day. Lee I will miss you my friend my prayers go out to you and your family. ☐
