

## Margaret muller

On July 9, Meg Muller went to Heaven, 17 days before her 94th birthday. Meg grew up the daughter of a doctor and a nurse in St. Louis, Missouri. In 1938, while at the University of Missouri, she fell in love with Frank Muller, both members of the greatest generation. Marriage began traveling the world for 35 years in the military before settling down in Falls Church, Virginia in 1966. She lived in Paris for two years, but her favorite place was the south of France, where she visited as often as possible. The joys of her life were her "Five Pennies", her children Jill, Frank Jr., Tweety, Mike and Mark. Meg moved to Galveston, Texas in 2000 and became a Texas Aggie in mind, heart and spirit with her son, Frank, and his wife, Sharon. She was an accomplished artist. Her later years were full of love, painting seascapes, watching the beautiful Galveston sunsets with her dog Pepe, visits to St. John and attending wonderful events in Aggieland. Meg will be deeply missed by her children, grandchildren, and great grandchildren. May God give His blessing, grace and peace to all. Services will be held at later dates in Arlington, Virginia, and College Station, Texas. Gifts may be sent to: The Texas A&M Foundation, 401 George Bush Drive, 1234 TAMU College Station, Texas 77480. Please make checks payable to: "Texas A&M Foundation", Memo: "Corps of Cadets General Scholarship Fund"; "Capper and Chris Save Animals Fund" or "Galveston General Purpose Fund" "In Memory of Margaret "Meg" Muller".
