“ *Margaret Stratton was a wonderful person. She was beautiful on the outside, but especially on the inside. Her thoughtfulness was always evident in the positive way that she treated all persons, no matter their race, religion, nationality, ethnic group, sex, or LGBT. Margaret was also an incredible humanitarian who always worked to improve all the world's peoples. Diane and I will always picture Margaret at the Pearly Gates helping the Lord welcoming the good people into Heaven.*

“ Sincere wishes of comfort to Miss Margaret 's family. She was a very sweet lady, a pleasure to be around. I will miss her especially when going to film promos. I loved her smile and she and my Mom always checked each other's jewelry, so after my Mom passed, Miss Margaret brought sweet memories for me. May she rest in peace in the house of the Lord.
