

Mary Briseno-Campos

Mary Helen Briseno-Campos -- June 19, 1943 - September 08, 2013 --
Beaumont, Texas - Wilmer, Texas -- Her true love in life was "family" her four children Patricia, Dianna, Felix and Debra, her 13 Grandchildren and 15 Great-Grandchildren, siblings and all family members knew the unconditional love she had for all. She was an amazing Mother, who taught her children how to appreciate and hold on to family values, traditions and togetherness. She knew "carino" and it always came easy, but she knew tough love when necessary and instilled respect. She was a Mother, Father, Friend and someone who could turn any good, bad, happy or sad situation into one of her infamous wise cracks which she was loved for! She was an extraordinary Grandmother/Great-Grandmother and enjoyed them all so much. Her goal to let all 28 of them from oldest to youngest know that Grandma's love and Grandma/Grandma's love was equal and never ending. If you ask any of them today they will tell you she succeeded!! She was very proud of her large family, being born into a large family and leaving behind a large family was a blessing she held close to her heart. She was loved very much by her husband Homero Campos of 35 years, who share her love and devotion for family. Gracias Mi Esposa -- Thank You Mother -- Thank You Grandma and Grandma/Grandma -- The time shared with you was a special gift that can never be replaced, and although you have physically left this earth, spiritually you will live with us forever and the memories we share are priceless. -
Visitation will be on Thursday, September 12 at Distinctive Life Chapel from
