KV

“ Mike and I have known each other nearly 20 years. I was so sad to learn of his passing yesterday. I considered him more a friend than just a colleague. He was such a ray of positivity even when things got tough and he was slammed at work. I'll miss his smile, his warmth and his sense of humor. I'm sending all of my love to his wife, kids and folks.

“ *I was so sad to hear of Mike's passing. I have known Mike for so many years. His company was the only one I trusted to do my printing. We had wonderful conversations over the years and Mike became a friend to so many he did business with and was so helpful to so many non profits. He loved his family and loved to watch his son play. Mike will be greatly missed. Sending my condolences and prayers to his family and friends for comfort and peace.*

“ Mike was a wonderful friend and a great father. We have known him since our son was in pre-K and we have played hockey with his son throughout the years. He was a very dedicated friend and father he will be missed.
