“ Hey bud, I still remember the stupid walrus thing you used to do. I felt confident running missions knowing you were calling them in. I hope you and your family are at peace.

“ Michael-It's been almost 5 years and I still think about you often. I always will, I'll be an old lady reminiscing on this loss...I'll always miss you and remember you and the irreplaceable connection we had. I hope with everything in me that there is really an afterlife where we'll know each other again because I cannot accept that you're gone. See you on the other side &t;3.
