

Reinhold (Ron) Wolf

October 21, 1950 - July 17, 2018

Reinhold (Ron) Wolf was born October 21, 1950 in Detmold, Germany, to Johannes (John) Wolf and Gertrude (Brusdeilins) Wolf. He married Carolyn (Johnston) Wolf on December 31, 1976 and together they raised 4 children. He began painting houses at a very young age alongside his father and continued his work well into his 60's before health required a change of profession. He loved to go fishing with friends and listen to music and he was incredibly proud of his children and grand-children, taking pictures and sharing them on social media but there was nothing he loved more than his Heavenly Father.

He went home on Tuesday, July 17, 2018 to be with his Lord and Savior after a long battle with his health following his stroke in 2016.

Reinhold was preceded in death by his parents, John on May 10, 2005 and Gertrude on March 4, 1992.

He is survived by Carolyn; his 5 children: Wesley Wolf (and his wife Shannon), Daniel Wolf, Rachael Wolf Kemp (and her husband Matt Kemp), William Wolf, son Ross from a previous marriage as well as four grandchildren, Austin DeMars, Joshua Wolf, Braden Wolf (belonging to Wesley & Shannon) and Charlotte Wolf (belonging to Daniel), his sister Rose Carter, her husband Floyd Carter, their two sons and a host of friends!

GH

“ *Is this the same Reinhold Wolf that lived in New Braunfels in the late 50\u2019s? If so, we were classmates at Seele Elementary school and I have fond memories of his friendship. \u2019m sorry for your loss*
