“ I was family, my (our) cousin. Even though we didn't see each other much , I was always so very proud of him and his accomplishments. The times we did see each other and would hang out, he was the most respectful young man, and silly. We had some fun times being goofy and being silly the last time we really hung out. Rest peaceful Tim- we love you

“ From the time I first met Tim at a young age until the last time I saw him, I have always thought Tim to be Sweet, Kind hearted, Caring, Loving, and always Respectful. Sadly, Tim has left us way to soon. but the memories, sound of his soft low voice and big beautiful smile will stay with me forever.
Rest in Peace Dear Tim.

“ Tim, you were so special to our family. All the little kids looked up to you. One night you went to Japon with Michal and me. Michael was so excited to tell his friends he was out with "Turbo Tim." I can still see you running down the basketball court and the football field. However, your real love was your awesome family. You were so loved by your friends and family. Much love, Mary, Robby, Austin, and Michael Reeves

When Timmy was born, I was there.

I shared his life from his first breath.

All his friends are right.

He was the sweetest child and cared about everybody.

And, he was a rascal...always laughing and enjoying his friends.

He was very blessed to have older siblings: they are twins, Larry Uffot and Lovette Uffot, who were 9 years old when Tim was born. Love was his little momma and practically raised him single-handed. Brother Larry was a great athlete and was Tim's mentor in their passion for track, football and basketball. I carried baby Timmy to Larry's football games where Lovie was a cheerleader. A close family and bursting with love for each other.

In his teens, he was fortunate to have Momma Vicki Lozano immersed in his life, caring for him, protecting him and bringing happiness and safety into his young life; and, his brother AJ Lozano of the same age shared their exploits for the high school years. For all my life i shall be grateful for the love of the Lozano family toward Timmy. They called him Timmy OK and i called him TIO meaning 'uncle' but those were his initials.

Timmy's middle name is 'Idongesit' which means "Comfort" in the Efik language of Nigeria. As Idongesit, you are spontaneous, happy-go-lucky, and you enjoy the company of others--the more the merrier.

AS ALL HIS FRIENDS MENTIONED, TIMMY WAS NAMED PERFECTLY AS HE BROUGHT COMFORT AND JOY TO EVERYBODY.
