

William Alfred Aegerter

December 15, 1950 - January 19, 2023

Bill Aegerter, Navy veteran and caregiver, passed on Thursday Jan 19th, 2023 at a nursing home in Frisco, TX.

Bill was born and raised in Iowa, living with his parents and sister Gloria. Bill graduated from the University of Minnesota and joined the Navy in 1973. He retired from the Navy in 1993 and moved to Texas to work for MBNA, later transitioning to Bank of America until full retirement.

Bill had 3 children, daughter Christina, son Nick, and daughter Pauline.

Bill was diagnosed with Multiple Myeloma cancer in the Spring of 2011, going through chemo and having the upper-hand in the battle until 2023.

Life goes by so fast, Bill fought his cancer for 12 years, like a fearless and always positive warrior. He leaves the most precious gift God gave his wife Claudia, their children. It should comfort all to know that Bill is resting and that cousin Juanpis was the one who took him by the hand to heaven. No more pain, no more suffering, only peace and heavenly love.

Bill will always be in our hearts, by our side
